FYI

NOTE: The Water Delivery document states that a meeting with Pavillion area residents is planned for mid-December. I had planned to schedule that meeting in conjunction with this meeting, however due to a change in my schedule I will be looking to host a meeting with residents in January. I will send an e-mail to residents today with potential dates. I will schedule the meeting on a date most convenient to residents.

Happy Thanksgiving!

Hello all,

The next working group meeting is slated for Dec 17th at Central Wyoming College. Attached are updates for the group. Also, below is the press release that will be released on Monday.

Thanks

Keith Guille

Riverton, Wyo - On Tuesday, December 17, 2013, the Wyoming Department of Environmental Quality (DEQ) and the Wyoming Oil and Gas Conservation Commission (OGCC), will be hosting the Pavillion working group meeting in Riverton.

This meeting will provide updates regarding the investigation of pits, well bore integrity and domestic water wells.

In addition, a brief update will be made about the cistern systems for the Pavillion East Water Supply Project.

The meeting will begin at 1:00 PM at the Central Wyoming College, 2660 Peck Avenue in the Wind River Room. The public is encouraged to attend and will be given an opportunity to comment.

Keith Guille
